

Month wise Working days in Academic year 2023-24

► [Academic calendar 2023-24](#)

Each academic year is divided into two semesters and teaching programmes are organized around the credit system. Teaching includes lectures, tutorials, practicals, projects, seminars, dissertations. The Institutes lays special emphasis on the tutorial system, which is based on a close personal interaction between students and teachers. The undergraduate students have to undergo a comprehensive project during the final year of their studies. A distinct feature of the education system at TTWRDCs is the emphasis on overall personality development and instilling in students the qualities of leadership. Thus, extra curricular activities are an important part of student life. The Institutes has provided the largest number of graduates in the task of nation building.

Academic committees and faculty committee of each Department reviews the performance of each students throughout the year. And at the end of each semester every student gives a feedback on the course content, its relevance and performance of the teacher. Feed back from students has helped in continually improving teaching quality.

I SEMESTER- JUNE - NOVEMBER

II SEMESTER – DECEMBER – MAY

Class instructions for second year and third year begin from June and for first year begin from July. There is a customised academic plan for the institution on lines with the Kakatiya university almanac. The well-designed Academic calendar not only plans & Schedules a wide range of curricular , co-curricular & extra-curricular activities for the students but also helps to equip them with the required skill-set and prepares them to enhance their potential in various academic & non-academic activities.

Clubs:

- Clubs help students to explore interests of their choice.
- There are around 8 clubs:
 - **Literary club**
 - **Music and dance Club**
 - **Creative Club**
 - **Theatre Club**
 - **STEMS club**
 - **Commerce Club**
 - **Community Out Reach**
 - **Entrepreneur Cell.**
- Every saturday afternoon slot is allotted for Club activities.
- Every month one of the clubs showcase their activities .

E-Plus club:

- The E-Plus Club functions with an intention to provide students a take-off point **to the world of English**. This creates opportunities to **enhance their taste in reading, equip them with a sense of appreciation** of literary expressions and their **scope to speak in English fluently**. These activities in the E-Plus Club aspire to nurture and enhance the literary and creative skills of students, if they are conducted in a regular and serious manner by all the stake holders, i.e., the Principals, ttrainings and the students.

CGC:

- The Career Guidance Cell has been catering to the needs of students with the following objectives: To conduct a survey among students on their career options. To organize programmes to create **awareness** about the **importance** of higher studies in India and Abroad. To organize **coaching** classes on CAT, TOEFL, GRE etc.
- Our main motto is to make students aware about EEE.
 - **Education**
 - **Employment**
 - **Entrepreneurship**
- Timetable is followed for the CGC sessions.
