

## PROGRAM SPECIFIC OUTCOMES (PSOs)

### BCOM (GENERAL)

Bachelor of Commerce (B.Com) is a 3 years under graduate degree programme, affiliated to Kakatiya University, Telangana. B.Com. (General) programme prepares the students to understand commerce with computer operation. To this end we strive to realize the following set of program specific outcomes for all our undergraduate B.Com students.

- ❖ To develop economic understanding among the students.
- ❖ To blend theoretical knowledge with practical skills in business to prepare the youth to attain holistic approach and eventually occupy key managerial positions in accounting, finance, international business, taxation, besides general management
- ❖ To provide students with the knowledge, tools of analysis and skills with which to understand and participate in the modern business and economics world, to prepare them for subsequent graduate studies and to achieve success in their professional careers.
- ❖ Analyse commerce/business issues in the international contexts and compare international contexts and issues through the lens of commerce disciplines.
- ❖ Work competently and productively in groups, exercising team work and interpersonal skills and qualify for employment in a wide range of occupations.
- ❖ It trains the students to locate commercial information from various sources like books, documents, reports, its course, quantitative techniques.
- ❖ Certain courses like Research Methodology and statistical analysis, Business Organisation, Auditing and Report writing etc., will promise more career and employment opportunities in varied fields relating to Commerce.
