TASK-BASED TEACHING

Task-based teaching (TBT) is an approach that emphasizes the completion of meaningful tasks as the primary method for learning. The objective of task-based teaching is to engage students in real-world tasks that require the use of language, helping them to develop practical skills in a contextual setting.

Objectives

- To create an active classroom by increasing student participation
- To focus on Teaching language as a skill oriented subject
- To equip students with the required soft skills to meet the challenges of the global world
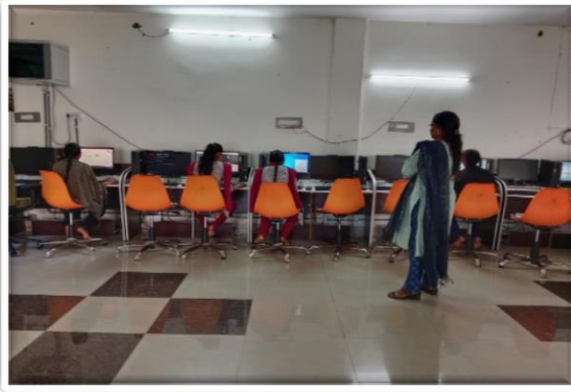

The Practice:

- Task based language teaching is practiced. Students are encouraged to do presentations such as seminar, assignment, and power point presentation to enhance the competence of learners in language learning.
- Communicative language teaching (CLT) is implemented. In CLT, the learners are involved in various group activities like role play, debate and group discussion generate long-term incorporated in one's repertoire of thinking skills.
- Extension activities are conducted effectively by the Department of English.
- English Department is celebrated for its practice of excellence in teaching.

Outcomes:

- Improved Language Fluency
- Increased Motivation
- Better Problem-Solving and Critical Thinking Skills
- Collaborative Learning and Social Interaction
- Practical Language Skills

TECH-INCORPORATED TEACHING

Objectives:

➢ To analyse, formulate a better method of learning and establish a digital and ICT based teaching.
➢ To use tools of Information and Communicative Technology (ICT) for effective teaching and learning process.
➢ To equip students with the required soft skills to meet the challenges of the global world

The Practice :

➢ The classrooms are set up with digital boards which creates a congenial learning atmosphere and the students will have the enthusiasm to learn more.
➢ The Smart learning classrooms make the classroom teaching more interesting and exciting.
➢ Audio-video is displayed in the classrooms to make the students listen the class attentively and recapture the English period

Outcomes :

➢ Enhanced Student Engagement
➢ Improved Accessibility and Inclusivity
➢ Development of Digital Literacy
➢ Enhanced Communication and Collaboration
➢ More Efficient and Effective Teaching

E-PLUS CLUB ACTIVITY

Objectives :

- The students' communication skills, self-confidence and positive attitude are developed.
- To create awareness among students about various trending topics.
- To motivate the students to talk in front of their classmates.
- To develop speaking skills and improve English language speaking.
- To eradicate stage fear and boost up self confidence.

The Practice :

- This club activity is conducted by English department in our college. This activity is conducted twice a week to the students of all groups and all years,
- In this activity topics are given to the students one week before on which the students have to prepare and talk about the topic for 5 minutes in their class.
- Through this activity students' communication skills, self-confidence and positive attitude are developed.
- E - plus Club promotes the students' analytical skill and critical thinking.
- This helps the students overcome their inferiority and boosts up the confidence levels .
- The students will have the exposure to the library for the preparation of the topics and also they will be well acquainted with internet browsing for the updates of the given topic.

Outcomes

- Self-Directed Learning and Motivation
- Enhanced Communication Skills
- Collaboration and Teamwork
- Creative and Critical Thinking
- Increased Engagement and Motivation

PG COACHING

Objectives:

➢ To facilitate a comprehensive understanding of the core concepts and subject-specific knowledge required for PG entrance exams.
➢ To familiarize students with the exam pattern, question types, and syllabi of the entrance exams
➢ To enhance problem-solving abilities and critical thinking necessary to tackle complex questions in the entrance exams.
➢ To equip students with effective time management strategies for the exam and optimize their performance within the stipulated time frame.
➢ To provide guidance on effective exam strategies, including question selection, prioritization, and efficient answering techniques.
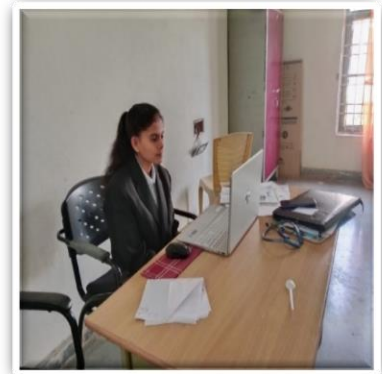

The Practice:

➢ English department strives its best to encourage the students for higher education.
➢ Interested students from II and III year are selected and given PG coaching throughout the year.
➢ The students are encouraged to take up English for their higher education.
➢ A timetable is framed for the PG classes and syllabus is designed.
➢ Students are given notes and material along with explanation for PG entrance examinations in English.
➢ Weekend tests are conducted and the progress of the students is noted each time from one test another test.
➢ Attendance is marked in each PG class to make sure no student miss the opportunity to learn the topics taught in the class

EMPLOYABILITY SKILLS COACHING

Objectives:

➢ Strengthen Teamwork and Collaboration Skills
➢ Improve Time Management and Organization
➢ Boost Self-Confidence and Motivation
➢ Develop Professional Etiquette and Workplace Behaviour
➢ Build Adaptability and Flexibility

The Practice:

➢ As English language plays a major role in the global world today, the department of English in our college took up the responsibility of training the students in employability skills.
➢ Time table and syllabus is designed in such a way that it covers all the essential topics useful for employability training.
➢ The interested students from all the groups of final year are selected for this training.
➢ This specially focuses on mock interviews, group discussions, JAM sessions etc
➢ This training builds the confidence level in the students and they are made to practice more to improve their skills.
➢ Our student have appeared for IIM Rohtak online interview by getting trained in our college.

Outcomes

➢ Individuals develop strong verbal and written communication skills, enabling them to effectively interact with colleagues, clients, and supervisors.
➢ Individuals can analyze complex situations, think critically, and develop practical solutions to problems.
➢ Participants improve their ability to work effectively within diverse teams, both in leadership and collaborative roles.

CERTIFICATE COURSES

Objectives:

➢ To develop additional Skill of the Students for practical knowledge in various fields.
➢ To empower the students with knowledge to introduce themselves in practical world.
➢ To provide the students the opportunity to go beyond their curriculum.
➢ To facilitate them to extend their interest level in different areas
➢ To provide the students the opportunity to complete different certificate courses within the stipulated time period of their regular UG programme.

The Practice:

➢ The department of English organised various certificate courses to develop various skills in the students.
➢ The syllabus in the certificates courses is designed in such a way that it covers all the essential aspects of language skills.
➢ The courses improve proficiency skills, interview skills, communication skills, phonetics etc
➢ The duration of each course is about 30 days which includes the activity based teaching .
➢ The students are taught the methods in the certificate courses and they have to write examination at the end of the course.
➢ Certificates are distributed for all the qualified students in the examination.

Outcomes

➢ Acquisition of Specialized Knowledge
➢ Improved Practical Skills
➢ Certification and Credibility
➢ Increased Confidence and Competence
➢ Adaptability and Skill Versatility

NEWS PAPER READING
