**NCC CADETS ACTIVITIES**

# PUNEET SAGAR ABHIYAN

On July 20th we organised an awareness campaign that involved marching and cleaning the surrounding areas:

.Cadets participated actively in the campaign collecting plastic and cleaning up the vicinity

.The initiative aimed to raise awareness about cleanliness and environmental conservation .

This effort likely contribute to a cleaner environment while instilling a sense of responsibility among the cadets towards maintaing their surroundings.Such activities are essential for promoting community involvement and fostering a culture of environmental stewardship.

# CHANDRAYAAN-3 LAUNCH

On July 14th 2023 The LVM3 M4 Vechile successfully launched chandrayaan-3 into orbit .LVM3 has injected the chandrayaan-3 into the desired orbit around the earth.The core stage has separated from the launch vechile and the CE 25 cryogenic stage has been ignited.The S200 solid booster have separated from the rocket.

# 'MERI MITTI, MERA DESH'

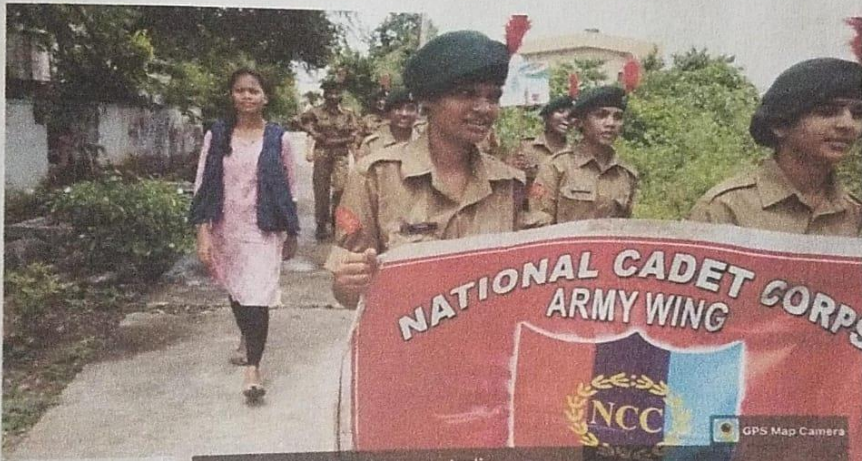

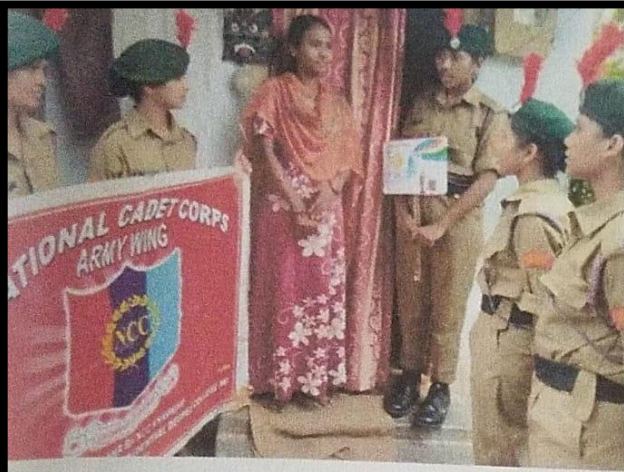

On August 10th 2023 As a part of the MERI MITTI MERA DESH programme calls for the creation of nectar gardens. Since last year the nation has been celebrating Amrit Mahotsav or Amrit Mahotsav of Independence on 75th anniversary of the nation's independence this festival is being held.

# INTERNATIONAL YOUTH DAY

International Youth Day is celebrated on August 12 each year to highlight the contributions and challenges of young people. In 2023, the theme was “Green Skills for Youth: Towards a Sustainable World.” NCC cadets across India marked the day by engaging in environmental activities. These included tree planting, workshops on sustainability, and community awareness campaigns. Their efforts focused on promoting green skills and environmental conservation.

# ECO FRIENDLY GANESHA

On September 16, 2023, NCC cadets from your college participated in an eco-friendly Ganesh Chaturthi celebration. They focused on promoting environmentally friendly practices by using eco-friendly materials for Ganesh idols and decorations. The cadets organized awareness campaigns to encourage the community to avoid plastic and chemicals. Their efforts aimed to reduce pollution and support sustainability during the festival. This initiative highlighted their commitment to environmental conservation and responsible celebrations.

# STUDENT COUNCIL ELECTIONS

The student council elections took place at your college on September 20, 2023, and were monitored by NCC cadets. The cadets helped ensure the elections were fair and orderly by managing the voting process and maintaining discipline. Their involvement showed how students can take on leadership roles and support important events at the college. This partnership between the student council and NCC cadets encouraged students to be active in their college community and learn about democratic processes.

# SWACHTHA HI SEWA

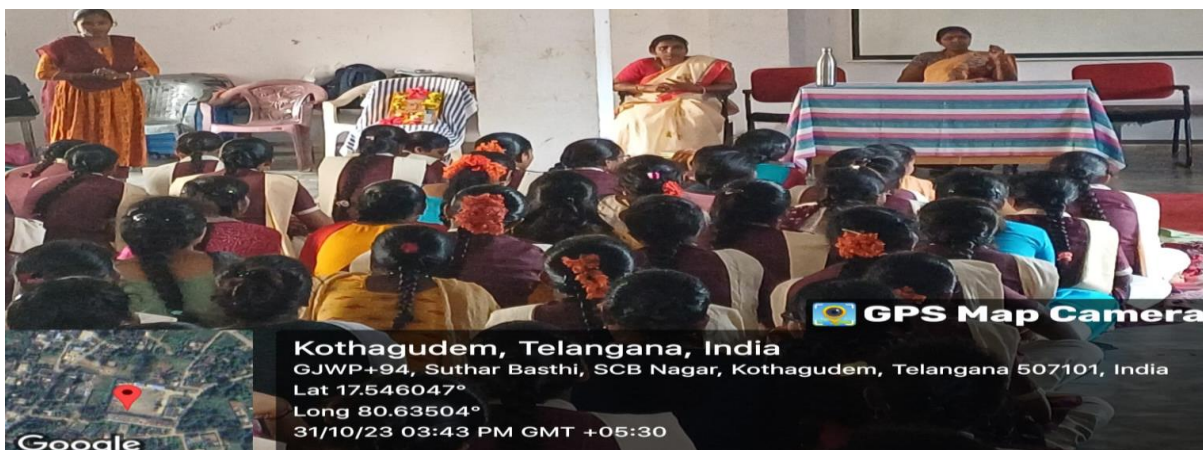

On September 20, NCC cadets participated in the "Swachhata Hi Seva" campaign at your college. They took part in cleaning public spaces around the campus, organized awareness drives, and educated fellow students about the importance of hygiene and proper waste management. Their efforts helped promote a cleaner and healthier environment within the college. This initiative by the NCC cadets showcased their commitment to community service and supported the goals of the Swachh Bharat Abhiyan.

# RASHTRIYA EKTA DIWAS

On October 31st, our college celebrated Rashtriya Ekta Diwas to honor Sardar Vallabhbhai Patel. NCC cadets from our college participated in this program. They took part in pledge ceremonies and unity marches, promoting the idea of national unity. The cadets helped emphasize the importance of staying united in our diverse country. Their involvement highlighted the significance of unity and dedication to national service.

# VOTER AWARENESS RALLY FOR GENERAL ELECTIONS

On November 4th, 2023, the NCC cadets from our college organized a voter awareness rally for the general elections. The rally aimed to educate and encourage citizens to participate in the voting process. The cadets marched through various parts of the community, distributing pamphlets and speaking about the importance of voting. Their efforts were focused on promoting informed and active participation in the democratic process. This initiative by the NCC cadets highlighted their commitment to civic duties and community engagement.

# NCC DAY CELEBRATIONS

The NCC cadets from our college celebrated NCC Days by organizing an exhibition for our college students and cadets from other colleges. The exhibition showcased the cadets' achievements, activities, and the values they uphold. Additionally, the cadets participated in a blood donation drive, demonstrating their commitment to community service and helping those in need. This event aimed to inspire and educate participants about the importance of national service, unity, and giving back to the community.

# REPUBLIC DAY CELEBRATIONS

On January 26, 2024, our NCC cadets took part in the Republic Day parade at Pragathi Stadium in Kothagudem. Their performance was commendable and received praise from the District Collector, Smt. Priyanka Ala. The appreciation from such a distinguished official highlighted the cadets' dedication and excellent execution, contributing to a memorable Republic Day celebration.

# NCC 'B' EXAM

On 02 and 03 February, the NCC B certificate practical and exam were conducted at LB College, Warangal. A total of 15 cadets participated from TTWRDC W Kothagudem, accompanied by one PI staff. The event was an important milestone for the cadets, providing them with hands-on experience and testing their knowledge. The practical sessions focused on field activities, while the exam evaluated theoretical aspects of their training. This combined effort aimed to prepare the cadets for higher responsibilities and future opportunities within the NCC program.

## NCC 'C' EXAM

On 17 February and 03 March, the NCC C certificate practical and exam took place at LB College, Warangal. Fourteen cadets from TTWRDC W Kothagudem, along with one PI staff, participated in the event. The cadets were tested on both theoretical knowledge and practical skills, with a focus on field activities. This exam marked a crucial step in their training, equipping them for future leadership roles within NCC. It provided a comprehensive assessment, ensuring their readiness for greater challenges and responsibilities.
