STUDENT FEEDBACK AND ACTION TAKEN

S. No	Recommendation	Action Taken
2020- 21		
1.	Counselling to students for higher studies was recommended.	Awareness was created among students for pursuing higher education and utilizing abroad opportunities.
2.	They suggested that recent courses can be implemented which will benefit in upcoming area of job opportunities.	New certified courses were introduced in the academic calendar.
3.	Address concerns about insufficient sleeping space in dormitories.	An additional room was identified and renovated to accommodate an increased number of students.
4.	Insufficient lighting in study area	LED bulbs were installed in the study area.
